## About Individual Sessions

You will have the opportunity to meet exclusively with a Jennings Turf Farms representative, Dr. Duncan or Tim Hiers to discuss your specific issues and project needs. Individual sessions are by early registration only and are limited to 30 minutes per session. Availability is limited, so please reserve your spot as soon as possible.

**Please have water and/or soil analysis reports available.**

Information about conference is online at <http://www.sodfather.com/event>
